

Sopot Academy of Applied Sciences (Sopot, Poland)

№ 118/2022

«15» June 2022

We hereby confirm that Prof. Dr. Mariya Shygun, born on May 16, 1978 (in Zhytomyr), was involved in the educational process at the Faculty of Economics and Finance at the Sopot Academy of Applied Sciences in Sopot (Sopot, Poland) on a scholarship as a visiting professor in the summer semester of 2021-2022 academic year in the period from 22.03.2022 to 22.05.2022.

The teaching process was carried out for the discipline "Corporate Finance" and included lectures with elements of discussion, practical (seminar) classes with practical case studies based on financial statements of listed companies, with preparation of draft management decisions to improve their financial condition, development of information for different stakeholder groups. Teaching hours for the next forms of education included 60 hours in general:

1. "Business and languages" (full-time, IV semester) - 38 hours.
2. "Business and languages" (part-time, IV semester) - 22 hours.

In the process of teaching Prof. Dr. Mariya Shygun improved her professional skills, got acquainted with the organization of the educational process at the Sopot Academy of Applied Sciences in Sopot, the peculiarities of teaching materials, developed Syllabuses, Presentation Materials and Lecture Notes for the discipline.

Prof. Dr. Mariya Shygun passed the quality control of teaching with the participation of dr. Joanna Pioch the Dean from the Faculty of Economics and Finance, who confirmed that the teaching methods used by Prof. Dr. Mariya Shygun meet European standards of education, contain effective teaching methods, include active communication with students that motivate them to educational process, and her professional competence meets high ethical requirements.
